

TSAP210A

The Bustin TSAP210A Platform offers the versatility of being both ramp ready and a integrated ladder. The TSAP210A, a wise choice for fleets.

The serrated walk surface provides superior traction and with each step ice, snow mud and debris falls to the ground.

The design of the TSAP210A allows drivers to either attach a ramp to the platform or use the retractable ladder to access the trailer.

Quickly deploy the large TSAP210A at the trailer side door.
