

FDP 4128LH PLATFORM

The only floor deployed platform (FDP) that incorporates three points of contact with a built-in grab handle, a 41" wide platform surface, and an integrated ladder. With a 41" wide and 28" deep deck size, Randall's FDP 4128LH gives drivers extra space for increased productivity with greater safety.

SPACE TO WORK

41" wide and 28" deep walk surface provides more space for drivers to safely unload products.

GRAB HANDLE

The FDP 4128LH incorporates a grab handle that ensures drivers have three points of contact.

SIGNATURE WALK SURFACE

Randall's signature, all-weather walk surface on the platform and ladder steps provide superior continuous traction.
