

SIDEKICK™ FOLDING WALKRAMP

The folding Sidekick™ Walkramp from ROM provides safe access for drivers at the side-door of a trailer.

ERGONOMIC HANDLES

Side handles are built into the Sidekick™ making transportation and deployment easier.

SAFER ACCESS

The design of the Sidekick™ allows drivers to attach the ramp either to the trailer floor or to a side door platform.

EASY TO MANEUVER

The compact and easy-to-maneuver design allows for efficient movement around parking lots, through crowded alleys and in curbside deliveries.

LARGER WHEELS

Larger wheels for improved performance are the latest innovation for the Sidekick™.

MATERIALS

- Lightweight cast-magnesium grating
- Aluminum side rails
- Steel bolted fastener

EXIT PARALLEL TO TRAILER

The Sidekick™ Folding Walkramp allows drives to exit parallel to the trailer.

Double your ramp's life cycle with the ability to turn your panels over when one side wears down.

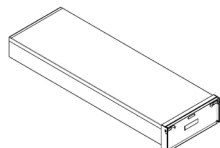

DEPLOYED SPECIFICATIONS
