

## TAP200A

Deploying in seconds and providing superior slip resistance, Bustin's TAP200A the industry standard for side door delivery.

The serrated walk surface provides superior traction and with each step ice, snow mud and debris falls to the ground.

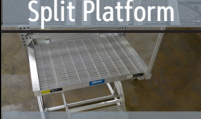

The TAP200A deploys on smooth nylon bearing wheels, helping to reduce muscle strain with no heavy lifting.

Help ensure 3 points of contact and reduce injury from stepping on wet tire or stirrup steps.
