

# FDP 3434R / 4334R Platform

Side Door, Ramp or Ladder-Ready Floor Deployed Platform

Designed for side door access, the platforms are ramp and ladder ready in both the parallel and perpendicular positions.

- All-weather surface provides superior continuous traction
- Flexibility to attach a ramp or ladder in the parallel or perpendicular positions
- Split platform design with 1.5" space between panels allows the platform to straddle floor-support beams within the tunnel

## FDP 3434R / 4334R Specifications
